WINTER CAMP 2017-2018 WORKSHOPS

First Name: _____ Last Name: _____

Please rank **THREE** out of the four workshops from 1 to 3, according to preference. “**1**” being **most** preferred and “**3**” being **least** preferred.

() **Mental Health**

This workshop will provide a basic understanding of mental health issues, how we can help those or even ourselves who may be going through these issues, and how we as Christians are supposed to understand mental health problems and whether they relate to spirituality. It will be an opportunity for you to ask questions about mental health and discuss topics such as depression, anxiety, self harm, and suicide.

() **Addictions**

Are you addicted to something? Pornography, relationships, gaming, television, shopping, food, drugs, alcohol, the list goes on. Often times we feel hopelessly weak and lost against these things. In this workshop we will discuss these addictions and talk about practical ways we can actually overcome them and be freed from them.

() **Modern Views**

This workshop deals with social issues ranging from abortion to LGBT issues, and will prepare you to think critically about these issues and how to defend your views Biblically.
